You're correct. Biden hasn't had a single success. In January he began a downward spiral reaching lows no one could have imagined. I might be more accepting of what he is doing if he were only taking himself and his rabble with him, but unfortunately, we're forced to go with them

This is unconstitutional. The U.S. Constitution does not give the President this type of authority. No where in Article 2 of the Constitution will you find anything that even remotely gives the President this kind of power. apnews.com/article/18fb12...

It was this short video that convinced me Michelle is a man. Also found it funny that it is Barack's brother, Malik, who added to the doubts that Barack is not American born and that Michelle might be Michael LaVaughn Robinson. So where is LaVaughn?- consumernewsreviews.com

Malik Obama's tweet about Obama being born in Kenya

Neither she or Obama have addressed the persistent rumor about her being a man named Michael, which are exploding online more than ever before, due to what his brother recently tweeted. Malik's statement and Barack's silence is giving credence to the rumors.

STORY SOURCE

OH BOY! Barack Obama's brother asks if Michelle is 'Michael'

March 14, 2019 - Barack Obama's half brother, Malik, took to Twitter on Thursday to ask if Michelle is actually "Michael". "Is Michelle Michael?" Obama asked, referring to a conspiracy theory that the former First Lady is actually a man. In 2017, Alex Jones claimed to have proof that Michelle was male. The Independent reported: In a 12-minute video, the Infowars host analyses footage and photos which he believes prove Ms Obama has a penis.

"Since the early days of the Obama administration, citizens across the board have studied videos and photos of Michelle Obama and said that she is a man," the shock jock said. "And even [Barack] Obama has called her over and over again Michael. But new shock footage has emerged that is being censored off the internet as fast as you can upload it."

It's not the first time Malik has made things uncomfortable for his brother on social media. In 2017, Malik Obama tweeted an image of what appears to be Barack's birth certificate. Except it's not from Hawaii, but rather Kenya. "What's this?" he tweeted...
